ORDER

The United States has submitted an application pursuant to 18 U.S.C. § 2705(b), requesting that the Court issue an Order commanding Google, an electronic communications service provider and/or a remote computing service, not to notify any person (including the subscribers or customers of the account(s) listed in the warrant) of the existence of the attached warrant for one year.

The Court determines that there is reason to believe that notification of the existence of the attached warrant will seriously jeopardize the investigation, including by giving targets an opportunity to flee or continue flight from prosecution, destroy or tamper with evidence, change patterns of behavior, intimidate potential witnesses, or endanger the life or physical safety of an individual. *See* 18 U.S.C. § 2705(b).

IT IS THEREFORE ORDERED under 18 U.S.C. § 2705(b) that Google shall not disclose the existence of the attached warrant, or this Order of the Court, to the listed subscriber or to any other person, for a period of one year, except that Google may disclose the attached warrant to an attorney for Google for the purpose of receiving legal advice.

IT IS FURTHER ORDERED that the application and this Order are sealed until otherwise ordered by the Court.
